- **Estimated time:** 4.00 hours
- **Spent time:** 3.00 hours

#### Description
- As a group, create a User Guide for your product by using the information I gave you in my "User Guides" lecture.
- As a minimum, the guide should cover every aspect of your easy, medium, and hard tasks.
- In addition, base your product's guide on the user manual template I attached.
- [user_manual.doc](mailto:user_manual.doc)
