Description

History

#1 - 10/17/2017 02:44 PM - William Horn
This greatly simplifies both the html and allows for new pages to be added without having to make a new element in the nave. Also html is now split up between multiple files.

#2 - 10/18/2017 02:03 PM - William Horn
- Status changed from New to Resolved

#3 - 01/19/2018 12:12 PM - John Quan
- Status changed from Resolved to Closed
