</table>

- **Tracker**: The tracker column contains the unique identifiers for each issue.
- **Status**: The status column indicates the current status of the issue.
- **Priority**: The priority column specifies the importance level of the issue.
- **Subject**: The subject column describes the nature of the issue.
- **Assignee**: The assignee column lists the person responsible for addressing the issue.
- **Updated**: The updated column shows the date when the issue details were last modified.
- **Closed**: The closed column indicates whether the issue has been resolved.
- **Spent time**: The spent time column records the duration the issue was open.
- **Project**: The project column identifies the project the issue pertains to.
